**NSS CAMP ACTIVITIES**

## **NSS CAMP ACTIVITIES FOR 2016-2017**

**Place: Satkarma Shraddhashray  
Babdevwadi, Taluka Panvel Dist Raigad  
4 January to 10 January 2017**

### **1. Fire Extinguishing**

Fire took place around the village in the night at the place where NSS volunteers were resided. We were requested to help the villagers to extinguish the fire. Without any hesitation volunteers helped the villagers and finally it settled out. Village people thanked us for helping them on first night of the camp at Babdevwadi.

### **2. Shram Daan at Asharam**

NSS unit was resided at Satkarma Shraddhashray, Babdevwadi, Tadwadi, Taluka Panve. Volunteers did shram Daan at the place in the form of swacchata, watering the plants and keeping residential place clean.

### 3. Scheduled Tribe (ST) Development Program

Under the title of this program, we NSS Atharva visited many villages like Deharang, Babdevwadi, Choti and Mothi Dhamani and gathered the people of respective villages at samajmandir. In Samaj Mandir volunteers gave them information about ST category reservation and its benefits, benefits of being ST, career guidelines, government facilities which are provided

#### **4. Educating Hostel Students at Ashram**

There was a hostel at Satkarma Shraddhashray. Volunteers taught them at the hosted at night.

#### **5. Holy Home Foundation Work at SEAL Ashram**

One day visit and work at Seal Aashram , Panvel brought satisfaction to every volunteer. Volunteers helped them to set a foundation of a Holy Room at aashram breaking rocks into pieces and passing them from one place to another where the construction of that holy place was going on. Father of the aashram thanked us for devoting there.

## 6. File Maintenance and Medical Work at SEAL Hospital , SEAL Ashram

Seal Aashram has a hospital on the campus. Volunteers were requested to sort out the expired medicines and maintain the files in a proper way. A group of volunteers helped them to maintain

### **7. Visit and Chocolates Distribution to Kids and Resided Members of SEAL Ashram**

Volunteers distributed chocolates to the kids as well as other ashram members who were either mentally retarded and physically challenged. Some of them were HIV affected too. Volunteers did above mentioned activities and spent their time with these members to understand them and their situation.

### **8. Door to Door Educational Awareness and Its Benefit Program at Babdevwadi**

Students visited every home of every village we visited. Awareness is done at Babdevwadi, Deharang, Choti Dhamani and Mothi Dhamani. Main purpose of this program was to encourage kids, students and their parents to educate them and change the lives. Volunteers covered whole village in different groups and gave marvelous speeches to the individuals and groups.

### **9. Personality Development Program(anchoring/speech/play/work distribution)**

While doing various activities under NSS banner, we focused on volunteers personality development. Assigning various task to the volunteers on day basis like selecting a day wise leader male/female, anchoring, performance of play, work distribution like food serving, swacchata, wake up team, we could make the volunteers more confident and active. That became a cause to change the personality of volunteers.

### **10. Old Age Home Visit , Entertainment Program and Sweetening Them at Shantivan Ashram**

Volunteers visited and spent time with old people were staying at Shantivan Old Age Home. Volunteers performed two skits, singing songs, reading poems, motivation dada and dadies to sing songs and read out poems, making them dance and laugh. Volunteers distributed shugar cane juice to every member who were present at old age home.

### **11. Leadership Program for Volunteers on Daily Basis**

A male and a female candidate were assigned a duty of leadership for a day. Responsibility of whole unit for 24 hours was given to those particular members. Motive to assign leaders to make them confident.

### **12. Health Program (jogging/yoga/meditation)**

To keep health fine, jogging, yoga sessions and meditation sessions were done on regular basis during the camp.

### **13. Seminar on Social Service by Professor and Program Officer Suhas Sawant Bharathi Vidyapeeth Technical Institute, Kharghar**

Prof. Suhas Sawant, Bharathi Vidyapeeth Technical Institute, Kharghar, gave a motivational lecture to the volunteers on How to Be More Socialize.

### **14. Camp Fire**

Camp fire done in the night after dinner to have reflection of the activities done during the camp. Second motive of the camp fire was to take experience of warmness in the cold atmosphere.

### **15. Educational Awareness Program at Dhamni**

Door to door visit done and street play was performed in this village. Every member of the home had been motivated by the volunteers to take education.

## 16. Survey Program for Satkarmashray Ashram at Deharang

We were requested to take a count of every family of villages situated around Satkarma Shraddhashray. Team did this job of four villages: Babdevwadi, Dhamni choti, Dhamni mothi, Deharang.

## 17. School Adoption, Deharang

Unit adopted a school for a day to conduct various activities like poem reading, acting, dancing, talent hunt, career guideline and competition etc.

## 18. School Adoption, Dhamni

Unit adopted a school for a day to conduct various activities like poem reading, acting , dancing, talent hunt, career guideline and competion etc. Volunteers distributed chocolates to the school students.

**19. Street Play at Babdevwadi, Deharan, , Dhamni Choti, Dhamni Mothi**  
Street play on education and ST category benefits was performed in above village.

## **21. Crayons and Drawing books to Ashram Hostel Kids**

Crayons and drawing books were distributed to the students of Ashram kids who were staying there in a hostel. Volunteers motivated them to study hard to achieve their goals of life.
