

## **IEEE Hackathon – Certificate Distribution and Winners Ceremony Report**

### **Introduction**

The IEEE Hackathon Certificate Distribution and Winners Ceremony were organized to recognize and celebrate the innovation, technical excellence, and teamwork demonstrated by participating students. The ceremony marked the successful culmination of the IEEE Hackathon, which encouraged students to develop practical, technology-driven solutions to real-world problems.

### **Dignitaries Present**

The certificate distribution ceremony was graced by the esteemed presence of the following dignitaries:

- ❖ Shri Sunilji Rane Sir, Founder and Chancellor, Atharva University, Mumbai
- ❖ Shri Iresh Chappalwar, Tahsildar, Borivali
- ❖ Dr. Ramesh Kulkarni, Principal, Atharva College of Engineering
- ❖ Mr. Sheel Desai, Advisor, Innovation Centre, Atharva University, Mumbai
- ❖ Dr. Suresh Shan, Chairman, Computer Society of India (CSI), Mumbai

Their presence added great value and inspiration to the event.

### **Certificate Distribution**

Certificates were distributed to all participating students and winners by Shri Sunilji Rane Sir, Founder and Chancellor, Atharva University, Mumbai, along with the other distinguished guests. The dignitaries congratulated the students for their dedication, creativity, and technical skills demonstrated during the hackathon.

### **Winners Recognition**

The winning teams were specially recognized for their innovative ideas, problem-solving approach, and effective implementation. The dignitaries appreciated the quality of projects and encouraged students to further develop their ideas into scalable and impactful solutions.

### **Address by Dignitaries**

The dignitaries addressed the gathering and emphasized:

The importance of hackathons in fostering innovation and practical learning

The role of IEEE and professional bodies in shaping industry-ready engineers

Encouragement for students to pursue research, start-ups, and entrepreneurship
