# From the Desk of Executive President

**Shri. Sunil Rane**

Executive – President of Atharva Group of Institutes and Founder Secretary – AET

Dear Students,

I extend heartfelt best wishes as you are preparing for your upcoming exams. Education transcends knowledge; it is a journey of resilience and dedication. You've exemplified these qualities during your time here, and I'm certain they' will guide you now. Exams may seem daunting, but they showcase your understanding. You've conquered challenges; this is another step toward your future. Believe in yourselves, stay focused, and be positive. Success stems from hard work and determination, virtues you possess. Approach each question confidently, let your knowledge shine.

Best wishes

Sunil Rane
Founder Secretary, Atharva Educational Trust
Executive President, Atharva Group of Institutes

## Student interactive session on Placements & Higher Studies

The Department of Information Technology organized student interactive session on Placements & Higher Studies on 26 May 2023.

The Speakers were the BE 2023 batch students- Mr. Tejas Karkera (Placed in Tech Mahindra), Mr. Prasham Mehta (Placed in LenDen club), Mr. Malhar Mullay (Placed in ARCON).

The session was interactive and benefited the students to enhance their knowledge about how to prepare a resume, importance of Internship and how to appear for that, importance of online platforms like internshala, LinkedIn, how to prepare for placements, things to keep in mind while selecting for higher studies. It was a very informative session for TE students for their queries on placement preparations and higher studies.

## Contents

## Parent Teacher Meeting

The Department of Information Technology organized parent teacher meeting on 4th May, 2023 for SE, TE and BE students to brief them on academic progress, term test-1 performance, NPTEL/Swayam/Mooc courses, internships, and project based learning.

The meeting was conducted in hybrid mode with respective mentors/class in-charge. The academic and overall performances of their wards were discussed and departmental ongoing and upcoming activities were updated

More than 129 parents attended this meeting and were pleased with the interaction. It was a great interactive session with parents about their wards academic progress and their doubts were resolved by the faculty members.

A very positive feedback was received from all the parents on students' engagement in learning and appreciated the efforts taken by all faculty members

## Faculty Achievements

1. Prof. Bhavna Arora (CMPN) published a paper "Integrating Artificial intelligence and Deep learning for enhanced medical innovation" in 5$^{th}$ International conference on contemporary computing and informatics (IC31) (IEEE) held on 22 May 2023.

2. Dr. Suvarna Pansambal (CMPN) reviewed Engineering Applications of Artificial Intelligence - Elsevier in June 2023.

3. Dr Kavita Bani (ECS) completed article review for AICTE Sponsored IEEE International Conference on Networks, Multimedia and Information Technology (NMITCON) organized at Nitte Meenakshi Institute of Technology, Bengaluru INDIA during 1st and 2nd September 2023 in association with IEEE Bangalore Section.

## Student Achievements

Mr. Aarnav Sangekar and Mr. Amey Pandit from Information Technology department got an opportunity to work as an intern in E Yantra Summer Internship Program, IIT Bombay.
