# MESSAGE FROM HOD

**“Technology is best when it brings people together.”**

**Matt Mullenweg, Social Media Entrepreneur**

The pandemic-induced shift in lifestyle, primarily driven by technical progress, has opened the door to a future where humans will live in greater digital ease. Technology has undoubtedly changed every business and people's outlook on life's challenges. Nowadays, everything is done online because of developments in technology. All tasks are computerized and carried out by effective machinery.

With this, the purpose of education has broadened, and the never-ending struggle to make a living has been reduced. Machines are not only efficient, but they are also programmed to be flawless. However, the most important role of information technology in a commercial business is

**Prof. Deepali Maste  
HOD, INFT Dept.  
Atharva College of Engineering**

to provide a competitive advantage. Computer-aided design, relational database technologies, spreadsheets, and word processing software, as well as automation of the manufacturing of process, all provide a commercial benefit to the business.

## Department Vision

To create a healthy learning environment for students to be globally competent IT professionals with an innovative and enterprising mindset by adopting emerging technologies.

## Department Mission

- To achieve academic excellence by imparting in-depth knowledge to the students through modern teaching pedagogy.
- To cultivate analytical and soft skills inclusive of creative, managerial and team-work activities to create competent IT professionals.
- To create IT graduates capable of making a positive impact on society via innovation, entrepreneurship and professional ethics.
