Alumni also interacted with the students and gave motivational talk regarding preparing for higher studies and placements. Students asked many questions regarding placements and the alumni shared their views. The program was conducted from 10 AM and was attended by 50 students from across the globe. The event was started by a few faculty members sharing their personal experiences while teaching. During the interaction session the alumni they

- Discussed about the current trends in languages and certifications in the industry. ●
- About their personal experiences in the development of open source software. ●
- About online certifications of various courses.
- Discussed how to start a new business.

the alumni students and their fond memories. This was followed by the Alumni sharing their college life and Professional journey experience with all friends and teachers.
