DIRECT SECOND YEAR INDUCTION PROGRAM REPORT

Induction program is an informative and educative program to groom and nurture young engineering students to mold fraternity in the days to come. The Induction for the students of DIRECT SECOND YEAR Engineering was held on 29th November 2022 organized by The Student Council, Atharva College of Engineering.

The program's goal was to provide new students with a bird's-eye view of various aspects of engineering and career opportunities for engineering students, as well as to familiarize them with the college's systems and procedures. The goal was to inform students about their potential opportunities and to show them the path they must take in order to become successful engineers.

The induction began with the welcome of all students and dignitaries, followed by information about Atharva College and its various committees. The induction continued with the Saraswathi Vandana, followed by the Atharva Group of Institutes video, where students learned about its various institutes and curricular and co-curricular activities. Further, the top management dignitaries were introduced, i.e., the Executive President, Honorable Shri. Sunil ji Rane Sir, Director Dr. P. N. Nemade Sir and Principal Dr. Shrikant Kallurkar Sir.

The induction was graced by the Director, Dr. P. N. Nemade Sir and the Principal, Dr. Shrikant Kallurkar Sir. Dr. P. N. Nemade Sir delivered an inspirational speech in which he guided the students about goal setting and enlightening the students about the various opportunities provided by the college for the student's growth. Further Dr. Shrikanth Kallurkar Sir addressed the induction, with a speech about curriculum and placement. He motivated the students with his experience and how to utilize the facilities available and create opportunity. He also advised the students to update themselves with recent technologies as they would be learning about them in the curriculum. The induction was further addressed by the General Secretary of the Student Council, i.e., Esha Singh. He shared with the students her college experience and all the events planned for the students throughout the year. A glimpse of all the past events conducted were shown to the students to give them an idea and encourage their extra-curricular skills. The Student Council was introduced to the students by explaining and appreciating them for their hardship and work.

Dr. Suvarna Pansambal Ma'am, HOD of CMPN and Direct Second Year admission in charge, addressed the induction. She encouraged the students and ensured them that if they encountered any difficulties, they could approach the faculties with their concerns. She also welcomed all of the students, wished them well in their future endeavors. Further Mrs. Nishi Parekh and Mr. Sanish

Mathew, Head of Training and Placement Manager, also spoke at the induction. They informed students about all the opportunities available to them through the college. They mentioned the companies that come to campus and assured the students that they too might be hired by one of them.

Mr. Kalpesh Phodkar and Deepak Poojari the alumni of the college, they received their degree in Electronica engineering. They shared their personal experience and insights about college which really relatable to many of the students. The induction ended with the vote of thanks proposed by the host. The entire induction was anchored by the members of the Student Council.
