# Report on Industrial visit 2023-24

<b>Event Name:</b>	Industrial Visit
College/Institute Name:	Atharva College of Engineering
Date and Time:	12 <sup>th</sup> January 2024
Venue:	ICAR-Central Institute for Research on Cotton Technology (CIRCOT) Adenwala Rd, Matunga East, Mumbai, Maharashtra 400019
Contact Person	Mr. Chandrika Ram
<b>Coordinators of the Event:</b>	Prof. Jyoti Gurav Prof. Mahalaxmi Palinje
Targeted Audience:	Second Year students
No. of Participants:	43
Brief Description of Event:	<ol> <li>Objective of the Event:         <ol> <li>Introduction to Large scale Industries</li> <li>Introduction to Industry 4.0</li> <li>Demonstration of cotton processing machineries</li> <li>Introduction to different sensors used for cotton Processing.</li> </ol> </li> <li>Introduction to Engineering Technology transfer division</li> <li>Topics Covered in the Event:         <ol> <li>Students were visited to Blow room for cotton</li> </ol> </li> </ol>

processing, Yarn and fabric testing Lab and Processing lab. They went around the different sections of Quality Evaluation & Improvement Division and Electronics sensor division. The concerned scientists and technical staff elaborated about the different sensors, technologies products, machineries, equipment available in the institute. They were also explained about the ongoing research, training and other technological activities being carried by ICAR-CIRCOT.

## **Outcome of the Event:**

- 1. To generate ideas about projects using different technologies.
- 2. To provide a platform to know how the product is generated in large scale industries.
- 3. Different stages of the products and different instruments required for product generation.
