TECHNOFEST23 events commenced on the 11th April 23 with the Inaugural function followed by parallel events with particular themes like

1) Technical Poster presentation⤵ with theme - Innovative Eco friendly technology. Competition was conducted in hybrid mode (online + offline).
2) Robo Soccer⬜
3) Drawing competition✏ with theme- Engineer your creativity
4) Rangoli Competition with theme- Happy green world

We were honoured to have **Mr. Upendra Nadgaonkar Sir (Senior Program Manager (IT) with Corecard Software Inc)** with us as the Chief Guest for the inauguration of TECHNOFEST 23. Sir appreciated the hard work & efforts of all student participants and was highly impressed by all the events organised under the theme Technophila (Love for Technology)

Students of various colleges within & outside of Mumbai also participated in all the events.

We were fortunate to have **Edufit** as our sponsor for the event. The **Seminar titled "Overseas education"** by our sponsorer Edufit really explored the participants about the overseas opportunities.

During Valedictory Function, all winners of Techofest23 events were felicitated with certificates and cash prizes. Subsequently, the awards for academic achievement were acclaimed and handed a certificate

We appreciate our IETE ACE Student Forum committee for their dedication & efforts in making the event successful.
