ATHARVA COLLEGE OF ENGINEERING  
MUMBAI

Mr. Shubham Vengurlekar  
Chairperson  
IEEE TECHITHON 2017

## IEEE TECHITHON '17

Atharva College of Engineering hosted its annual technical fest **IEEE TECHITHON 2017** successfully during 25<sup>th</sup>-29<sup>th</sup> of September 2017. This technical fest was a grand success. The IEEE TECHITHON COMMITTEE'17 were greeted with a thumping number of visitors throughout the fest. The theme for this year's annual technical fest was "FUTUROPIA - ENHANCE, EVOLVE ELEVATE"

FUTUROPIA refers to the futuristic lifestyle. The theme orients us to Enhance, Evolve and Elevate our future with exemplary technical inventions and innovations. This season Mumbai will witness a noteworthy flavour of technical fest which will cast rays of inspiration by brainstorming interaction with the people attending it.

Our Annual technical fest was special in many aspects; it was a blend of technical as well as cultural, sports events. The main attraction of the fest was the technical project exhibition, for which our technical team worked really hard day in and day out. We received an overwhelming response from all the students, faculties and dignitaries throughout the course of our technical fest.

Apart from the display models prepared by our esteemed technical and creative teams, IEEE TECHITHON 2017, FUTUROPIA will also cater to many inter-collegiate competitions which include contests like RoboWars, Hogathon, Web Designing and many other technical events along with fun events like Laser Tag, Neon Sports (Bowling, Cricket, etc.), LAN Gaming and other fun events. IEEE TECHITHON also hosts a wide range of workshops and seminars. The unique feature this year will be an INTER-COLLEGIATE TECHNICAL MEET, which would provide a platform to young innovators all over the city.

The fest was embraced by the dignitaries including our Hon. Executive President **Shri. Sunil ji Rane Sir**, director of Atharva college of Engineering – **Dr. Pravin Nemade Sir** and our Principal – **Dr. Shrikant Kululkar Sir**.

Memorable moments of the annual technical fest:-

**Glimpse of Event:-**

On behalf of the IEEE TECHITHON COMMITTEE 2017, we would like to thank **Hon. Shri Sunil ji Rane Sir**, Executive President of Atharva Group Of Institutes and MLA Borivali for supporting us for all the extracurricular activities and events and granting all the permissions required throughout the fest. We would further like to thank all the dignitaries, Head of Departments (HODs), teaching and non-teaching staff of Atharva Group of Institutes for their guidance and support and the students of Atharva Group Of Institute for their proactive participation. We the IEEE TECHITHON COMMITTEE 2017 would like to express our gratitude to our Faculty Coordinator - Prof. Jyoti Kolap for her valuable time, insight and support throughout the fest.

Best regards,  
Organizing Committee,  
IEEE TECHITHON COMMITTEE 2017
