Objective of the Session: Induction Session on Human Values

Faculty Name: Dr. Priyanka Badani

Outcome of the Session: A session was conducted on Human Values for First Year students as a part of the Induction Program. A total of 63 students from EXTC-2 were present. Apart from their syllabus, the students should learn the ability to self-manage, solve problems and understand the Professional environment. They should work as a team member with time and people management. They need to be alert, adapt to different roles and flexible in working environments. With this pressure to cope, it is vital that students are taught to manage their lives with empathy – human values need to be inculcated into their very being.

Students gets benefitted by the development of life skills and values in the following ways

- Find new ways of thinking and problem solving
- Avoid to blame others by taking responsibilities
- Attain skill to develop self-confidence
- Build self-awareness
- Build the skill to appreciate others
- Evaluate and make decisions

Overall session was interactive and students considered it as a fruitful session.
