“Industrial Visit Report 2022-23”

The Department of Information Technology of Atharva College of Engineering has successfully organized an Industrial Visit at "Shimp Chimp organization, Ghatkopar, Mumbai". It has benefited the student to enhance their knowledge about 3D printing, Different Technology used for 3D printing , FDM , SLA , DLP etc.Students got inspiration to become entrepreneur by solving the problem with a business idea.

Date	21/04/2023
Time	11.00 AM-3.00 PM
Venue	Shimp Chimp Organization
No. of Students attended	25
Faculties Attended	Prof.Krutika Jain, Prof. Snehal Kagane
Organized by	Industrial Visit Co-ordinator (INFT Dept.)
Faculties assigned	Prof. Krutika Jain Prof. Charmi Chaniyara

Objectives:

- 1. Enhanced learning experience:** Industrial Visit benefits the students definitely get much more refined learning experience as they get to see the on-site workings, assembly, machinery, production processes, manufacturing units, and so on. Also, an added benefit for the students is that they can find and get to work on the latest technical developments in the industrial machinery and equipment units.
- 2. Exposure to industry experts:** Industrial visits assist big time in bringing various professionals like industry experts, leaders, corporates, policymakers, and administrators of the particular industry together for the students. They get to have interactions with them and learn industry-specific workings and wisdom, eventually leading the students to understand better management skills, leadership skills, team player attitude, etc.
