### Subject: Letter of Recommendation (LOR)

To

Respected Authority,

I believe PATEL HEET MUKESH deserves a strong consideration.

He has been a hardworking person, enthusiastic and active student. I have seen him putting the best efforts into his work during the internship program. He further has consistently produced a high standard of work and among the best students in his class with excellent results and project output in internship program organized on **ROBOTICS & IT'S APPLICATIONS** for the duration from **1st December 2019 to 30th December 2019.**

PATEL HEET MUKESH has the ability to manage his time effectively and lead projects which were being completed on time. The best part of his projects was that all of them were of high standards and extremely well-thought and planned.

I would like to say that PATEL HEET MUKESH was the ideal candidate for the internship program.

**Yours Faithfully**

To

Respected Authority,

I believe NADAR ROBIN STANLEY deserves a strong consideration.

He has been a hardworking person, enthusiastic and active student. I have seen him putting the best efforts into his work during the internship program. He further has consistently produced a high standard of work and among the best students in his class with excellent results and project output in internship program organized on **ROBOTICS & IT'S APPLICATIONS** for the duration from **1st December 2019 to 30th December 2019.**

NADAR ROBIN STANLEY has the ability to manage his time effectively and lead projects which were being completed on time. The best part of his projects was that all of them were of high standards and extremely well-thought and planned.

I would like to say that NADAR ROBIN STANLEY was the ideal candidate for the internship program.

## TO WHOM SO EVER IT MAY CONCERN

Subject: Internship completion Letter

This is to Certify that, **Mr. Shridhar Sudama Sahu** student of Atharva College Of Engineering, Malad (West), Mumbai; has undergone vocational training with SWAPMS LLP, Bangalore at our Kandivali, Mumbai Office under our Brand 'futureScience' during the period from June 7,2019 to October 5,2019.

During his internship period, he has been given training and exposure in various areas of Database Management Systems which include :-

➤ Developing Front end of Websites with WordPress.
➤ Use of PHP and MySql for Developing Backend Database And their linking, inserting, updating and fetching query, based on real time relations.
➤ Exporting Database in .pdf, .csv extension using AJAX.
➤ Integration of QR code and biometric to insert values in database

We found him extremely inquisitive and hardworking. He was very much interested to learn the functions of core division and also willing to put his best efforts.

We wish him all the very best for his future endeavours.

Yours faithfully,

For SWAPMS LLP

Atharva College of Engineering, Mumbai has successfully completed his
internship at  Web  Development From  01/June/2019 to 01/July/2019.
During His Internship,he was exposed to the various activities in Web
development.
We found him extremely inquisitive and hard working.He was very much
interested to learn the functions of our core division and also willing to
put his best  efforts and get in to the depth of the subject to understand
it better.
His association with us was very fruitful and we wish him all the best in
his future endeavors.

Thank you.
