Parents Teacher Meet Report

Electronics & Telecommunication Department of Engineering has organized Individual Parent- Teacher meetings for SE, TE and BE Students in the academic year 2021-22.

The Parent- Teacher Meeting was conducted for TE (ET1 & ET2)and BE (ET1 & ET2) on 26th September 2021 (Sunday) and SE (ET1& ET2) on 31st October 2021 (Sunday) using the virtual meeting tool Google meet.

All the mentors called their mentees to have interaction with them along with their parents.This meeting was a valuable chance for the parents to interact with mentors/ class teachers and know about the academic, behavioral well-being of their ward amidst the coronavirus pandemic and to clarify any related questions or concerns about exams. It was a great session between the teachers and the parents where they exchanged valuable suggestions. I/C HOD Ms. Mahalaxmi Palinje mam's guidelines were really helpful. Parents were quite happy and excited about the PTM as they got the chance to know about online academic activity happening in the wake of the pandemic.
This report is prepared based on the basis of feedback given by parents.
