## REPORT ON PARENT TEACHER MEETING 2022-23 (SEM-II)

Department of Humanities and applied sciences has organised online parent teacher meeting on 12 June, 2023 for FE students from 10am to 3pm. The purpose of the meeting was to have a common platform where teachers and parents come together to mould student's educational experiences.

The session had one to one interaction between the teachers and parents for the all round development of their ward. The meeting was attended by **156 parents**. The meeting was organised under the guidance of Principal **Dr. Ramesh Kulkarni** and **HOD(Humanities and Applied Sciences) Dr. Ritu Sharma**.

### Agenda of PTM:

- To make parents aware about the performance of their ward in lecture and/or practical for the SEM-II of FE 2022-23 and to make them aware about university norm of 75% attendance in theory classes.
- To ensure that the student should submit all the assignments and tutorials of all the subjects on time and failing to do so will result in absenteeism in the Term work.
- To show progress report of second term test, attendance and overall performance of their child.
