Parents Teacher Meet Report

Electronics & Telecommunication Department of Engineering has organized Parent-Teacher meeting for SE,TE and BE Students for the academic year 2021-22 even semester.

The Parent- Teacher Meeting was conducted for TE (ET1& ET2) on 22 nd April 2022 from 6:30pm to 7:30pm and for SE and BE (ET1& ET2) on 23rd April 2022 (Saturday) from 11 am to 1 pm using virtual meeting tool Google meet.

All the mentors called their mentees to have interaction with them along with their parents. This meeting was a valuable chance for the parents to interact with mentors/ class teachers and know about the academic, behavioral well-being of their ward amidst the coronavirus pandemic and to clarify any related questions or concerns about exams. It was a great session between the teachers and the parents where they exchanged valuable suggestions. I/C HOD Prof. Mahalaxmi Palinje mam's guidelines were really helpful. Parents were quite happy and excited about the PTM as they got the chance to know about online academic activity happening in the wake of the pandemic.

This report is prepared based on the basis of feedback given by parents.
