<b>No. of attendants:</b>	19
<b>Organized by:</b>	INFT department
<b>Faculties assigned:</b>	Prof. Deepali Maste, Prof. Kriti Das

#### Objective:

The Department of Information Technology organized an Internship Opportunity/Offer Session for both Third-Year (TE) and Final-Year (BE) students from all branches on the 4th of July 2023. The purpose of this session was to provide students with valuable guidance and information regarding internship opportunities in the field of website and mobile app development.

Dr. Amanpal Singh Chawla, has offered internships to a group of 19 students for the exciting opportunity. The selected interns will be involved in the development of websites and mobile applications under the guidance and mentorship of Dr. Chawla for Finsaarathi and Eduasyst.

The students are divided into 2 groups, Group 1 with 9 students will work on **Finsaarathi** website and Group 2 with 10 students will work on **Eduasyst website**.
