ATHARVA COLLEGE OF ENGINEERING

(Approved by AICTE, Recognized by Government of Maharashtra
& Affiliated to University of Mumbai - Estd. 1999 - 2000)
ISO 2100:2018 ISO 14001:2015 ISO 9001:2015
NAAC Accredited with Grade A+

ACADEMIC YEAR: 2026-27

Department of Computer Engineering

ACE/CMPN/FR/21//2026-27

DATE: 16/07/2026

Report of “SE Orientation Program 2026-27”

Event Name:	SE Orientation Program 2026-2027
College/Institute Name:	Atharva College of Engineering
Date and Time:	16th July 2026 at 10:30-11:30 am
Venue:	R21-4 st Floor, CMPN, Phase 1, ACE
Topic of Event:	SE Orientation Program 2026-27
Mode of conduction:	Offline
Speaker	Prof Mahendra Patil (HOD, CMPN)
Coordinators of the Event:	Prof. Ruchika Katyayani
Targeted Audience:	SE Students of CMPN Dept.
No. of Participants:	90
Brief Description of Event:	Objectives of the Event: ● Academic Transition & Curriculum Overview: Guide students through the shift to second year by introducing the syllabus, subjects, labs, and assessment patterns. ● Departmental Introduction: Familiarize students with the department's vision, faculty members, infrastructure, and available academic resources. ● Career & Skill Development Awareness: Highlight career paths, essential technical skills, certifications, and industry expectations in computer engineering. ● Student Engagement & Opportunities: Encourage active participation in coding clubs, technical events, hackathons, and professional bodies. ● Mentoring & Goal Setting: Connect students with mentors and promote academic planning, personal development, and goal-oriented learning.

ISO 2100:2018 ISO 14001:2015 ISO 9001:2015
NAAC Accredited with Grade A+

ACADEMIC YEAR: 2026-27

Department of Computer Engineering

Topics Covered in the Event:

- **Overview of Second Year Curriculum and Examination Scheme**

Introduction to subjects, credit structure, evaluation methods, and academic expectations.

- **Department Introduction and Infrastructure Familiarization**

Tour of departmental facilities, interaction with faculty, and awareness of lab and learning resources.

- **Career Guidance and Skill Development Opportunities**

Information on internships, industry-relevant certification courses, coding platforms, and career pathways.

- **Student Engagement and Co-curricular Platforms**

Introduction to student clubs, professional societies, coding contests, hackathons, and events.

- **Mentorship, Academic Calendar, and Student Support Services**

Overview of mentoring system, academic schedules, and support mechanisms for academics.

Outcomes of the Event:

- Students will gain a clear understanding of the second-year academic structure, curriculum, and evaluation methods.
- Become familiar with departmental resources, faculty, and support systems available for academic and personal growth.
- Students will be motivated to engage in co-curricular and extracurricular activities that enhance technical and soft skills.
- Aware of career opportunities, industry expectations, and the importance of certifications and internships.
