

“Workshop on How to Select TE Mini Project Topic”

Date:	8-01-2024
Time:	9.00 AM TO 11.00 AM
Platform Used:	Offline Session
Speaker details:	Dr. Ulhaskumar Gokhale

No. of attendants: 58

Organized by: INFT department

Faculties assigned: Prof.Yogita Shelar, Prof. Snehal Mahajan

Objective:

The Department of Information Technology organized a workshop on “**How to Select TE Mini Project Topic based on Machine Learning projects**” by Dr. Ulhaskumar Gokhale. Sir elaborated on the idea of automation and guided the TE students to select Mini Project topics based on ML. He also shared and discussed different areas where automation projects could be implemented using ML. Sir discussed different libraries using which students can explore trending research areas for implementing their project.

It was indeed an informative and interactive session which proved to be beneficial for the students.
