Report on

Two days workshop on “How to crack Technical and HR Interview”

Dated : 9th and 14th August,2021

Organised by : EXTC Department

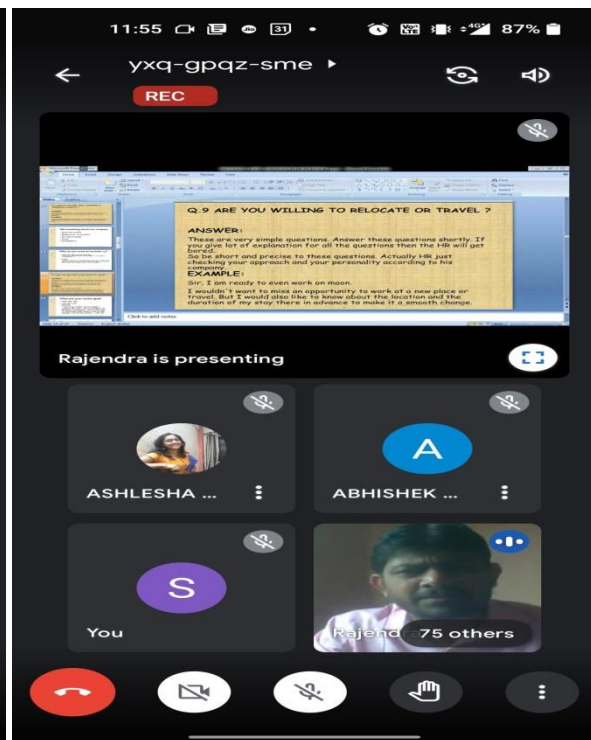

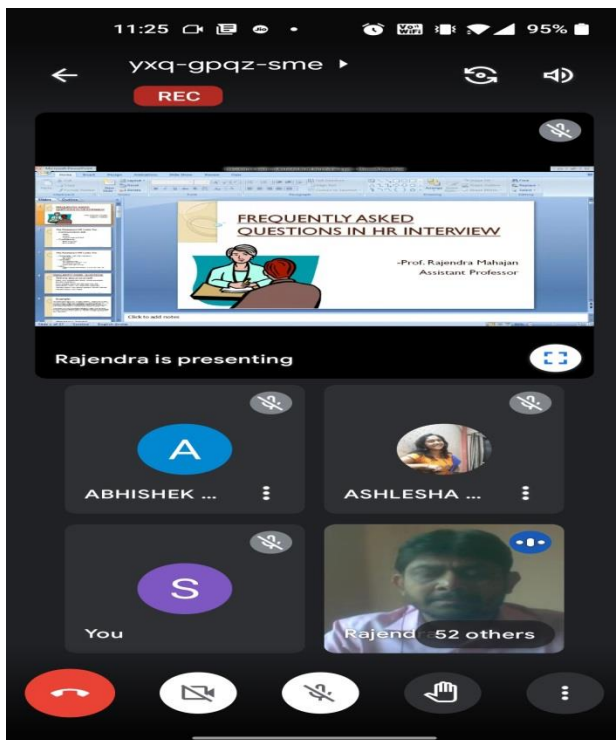

Time : 11am to 1pm

Venue : Online(Google Meet)

About the workshop :

In cooperation with Training and Placement (TNP) Cell of Atharva, two days workshop was held for Students of B.E EXTC. Basic Aim was this workshop was to make BE students ready for upcoming campus and off-campus interviews.

First day (9th August, 2021), Prof. Rajendra Mahajan conducted session on “Frequently asked questions in HR interview and their expected answers “and Second day (14th August, 2021), Sheetal Bhatia from TNP conducted training on Do’s and Don’ts while giving HR interview. Followed by technical interviews training by Prof. Mahalaxshmi Palinje and Prof. Supriya Dicholkar for BE students based on core technical skills as well soft skills. Personal interviews are taken for some interested students so that students got idea of different questions can be asked in interviews and preparation need to be done for different companies. Glimpse of workshop are as below:
