CREATIVITY FOR NEW INNOVATIONS

SOLUTION : 3D IDEA GENERATOR

Presenting The Mind Of A Genius

ATHARVA INNOVATION TRAINING PROGRAM LEARN. ENGAGE. ACCELERATE. DISRUPT.

Atharva Center of Creativity offers a deeply collaborative, academically rigorous learning environment that gives highly motivated professionals & students a flexible way to learn Innovation. This 40 hours, 10 days Ideation program is initiated with the objective of developing Creative Leadership, Innovation and Idea generation skills for students & Corporate Professionals at Atharva College of Engineering, iLab (Innovation Lab).

iLAB is the lab of Innovation and Imagination. This lab provides Physical, mind and Technology space to give shape to your Next Breakthroughs. It is one of India's most advanced and high-tech centres of Creative Leadership and Innovation which has been specifically set up with a view to provide an unprecedented experience in Management Development Programs to the corporate professionals and students

UNLEASH YOUR IMAGINATION AND INNOVATIVE CREATIVITY

The centre has world class infrastructure with 50 touch screen computers, each of which is equipped with 1TB Hard disk and 8GB RAM, cutting edge softwares, technologies, tools and most advanced 3D Idea generator software for generating breakthroughs.

ATHARVA'S ILAB IS A STATE-OF-THE-ART FACILITY, WHICH WILL EXCLUSIVELY BE USED FOR INNOVATION THROUGH TECHNOLOGY.

Congratulations

**Sandeep Vishwakarma & team for securing a position
in the 127 finalist of NIC 2020**

ACE iCell is grateful to IIC for their continuous support & opportunity given to our students to exhibit their talent.

"It was a wonderful experience where we had an opportunity to learn in depth about innovation. It gave us a platform to think out of the box and taught us various ways to implement our ideas." -Aseema Ajgaonkar, TEINFT 1.

"It was very informative session. it was a nice experience. we learn innovation, invention and many more things. lecturers were very nice. overall a good experience"
-Yashasvi Bhuvra,

"This session helped me in thinking out of the box, my perspective to look at things is changed in this session we students are encouraged by faculties to elaborate and share idea among the other participants , also this session helped me to develop innovative attitude"
-Mohit Patil

In the time to come, the ideas of the students will be nurtured and flourished into future opportunities in this highly competitive world
